DETAILED ACTION

1. This is the Final Office Action from the examiner in charge of this application in response to applicant's amendment dated 1/17/2007.

Drawings

2. The drawings were received on 1/17/2007. These drawings are acceptable.

Specification

3. The substitute specification filed on 1/17/2007 has been entered.

Claim Rejections - 35 USC § 112

4. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

5. Claims 2-18 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 18, line 8, the limitation of each portion of each bearer being "secured to" and extending "separately transversely" between said decks is indefinite for failing to clearly define the metes and bounds of the claimed invention of what the portion can be "secured" to each other and extending "separately transversely" at the same time. Claim 15, line 2, "said pallet includes sheet material" should be "said pallet includes a sheet material".

Claim Objections

6. Claims 3-4 are objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s)

Art Unit: 3637

in proper dependent form, or rewrite the claim(s) in independent form. (1) claim 3, line 2, the limitation of the central webs being substantially normal to the decks is already recited in claim 18, (2) claim 4, line 2, the limitation of the webs being releaseably securable to the decks is already recited in claim 18.

Allowable Subject Matter

7. Claim 18 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

8. Claims 2-17 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Conclusion

9. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

Art Unit: 3637

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
